

Independent Advocacy

For Adults 16-64
with a Mental Health
Issues living in
South Lanarkshire

The Advocacy Project is an independent, rights based organisation which believes that everyone has the right to take part fully in society.

Our service is free and confidential.

We will help you to:

- » Have your voice heard
- » Take control
- » Know your rights
- » Understand the choices & decisions in your life

www.theadvocacyproject.org.uk

We will:

- » Put you first
- » Enable you to be in control
- » Visit you where you live
- » Explain issues and how they may affect you
- » Assist you to work with other agencies
- » Support you at meetings
