

Support to Report

Don't stay silent about hate crime

We delivered **41** workshops

We presented to **23** Third Party Reporting Centres that's **180** staff

We increased **89** service users awareness of disability hate crime

We presented to **74** front line support staff

We delivered our charter to **343** people

After our workshop **95%** of service users said they would tell someone if they had experienced hate crime

74 front line staff said they would be more confident in supporting someone to report after our workshop

163 people are now aware of 3rd Party Reporting
